

# The Better Together Project

## Virtual Edition

July

9  
2020

### WE'RE IN THIS TOGETHER!

At The Flipside Life, it is our mission to foster meaningful connection and create a diverse and inclusive community that supports and enhances the lives of physician families.

We hope you will join us for our inaugural virtual event dedicated to you.

*It's about time!*

We've curated a list of amazing speakers including professionals, leaders and rockstars from within our community of physician families...individuals who have gone through the ups and downs of life on the *flipside*. They are ready to share their insights to help you feel encouraged and empowered!

July 9, 2020  
10am-5pm\* EDT
