I was never able to find an event just for physician partners - so I created one. And I'm hosting it again this year. Join us for an all-day virtual event full of learning, connection and fun! It's an opportunity to engage and connect with experts, leaders and rockstars - many from within our community of physician families. I look forward to seeing you at **The Better Together Project 2.0**.

2020 PGME Annual Review

Recently, the 2020 PGME Annual Review was circulated to all stakeholders. Despite the challenges faced in 2020, we continued to persevere through all the ups and downs. The PGME office, Program Directors and Program Administrators worked hard to provide the best support possible for our postgraduate Learners. Take a moment to read the [2020 PGME Annual Review](#), highlighting the goals accomplished.

~Introduction~

PGME welcomes:

Hussein Karimjee - CBME Administrator

Hussein is a recent honours graduate of the Faculty of Business. Hussein has been employed at McMaster since 2018, most recently in Research Finance. Hussein will provide administrative support to the CBME Office and the various committees. He will be applying his skills in data management to help advance the work underway in CBME evaluation and quality improvement among other initiatives. You can contact Hussein at karimjeh@mcmaster.ca.
